WORK EXPERIENCE

Kitchen Manager The Welcome Cafe

06/2018 - 03/2020

Exeter, UK

Very popular and busy cafe on the quay in centre of Exeter.

Achievements/Tasks

- I had to ensure clients where appeased on a daily basis in a very high stress environment. Clients were appeased and I ensured my staff were working productively and efficiently.
- Within 21 months i was employed, demand and popularity rose by over 100% which i had great contribution to by ensuring that the service deadlines were met and was up to the best standards, menu was varied and specials were changed on two-weeks basis.

Chef Pig And Pallet

10/2015 - 06/2018

Topsham, UK

BBQ Smokehouse by the Quay in Topsham, very popular.

Achievements/Tasks

- Serving between 125-250 dishes everyday, in a stressful kitchen environment, adhering to the company policies and standards was challenging but also very rewarding.
- Communication and teamwork in a very fast paced kitchen was what made service and quality to such a high standards.

PERSONAL PROJECTS

Personal Portfolio (2020)

- My personal portfolio website. Includes all my projects, contact me form and about me section.
- <https://pawelkrzesinski.github.io/Personal-Website/index.html>
